Tax return software

You can use our [free tax return software](#), which covers the following forms:

- Employment
- Self-employment
- Individual partnership
- Land and property
- Main form (Investment income, pensions, reliefs and deductions etc)

You can also use [commercial tax return software](#), some of which are free. All commercial software includes the same forms as those provided by the HM Revenue & Customs (listed above), plus some, or all, of the following:

- Share schemes
- Foreign income
- Trust income
- Capital gains
- Non-residence
- Minister of religion
- Lloyd's underwriters
- Tax charges on certain payments from or into registered pension schemes or overseas pension schemes
- Multiple chargeable event gains
